Dated: September 28, 2026

STRICTLY CONFIDENTIAL

PREAMBLE

This Agreement and Plan of Merger (this 'Agreement') is entered into as of September 28, 2026, by and among GreenField Energy Holdings Inc., a Delaware corporation ('Parent'), GF Merger Subsidiary Inc., a Delaware corporation and wholly owned subsidiary of Parent ('Merger Sub'), and SolarBridge Corporation, a Delaware corporation (the 'Company'). The Board of Directors of each of Parent, Merger Sub, and the Company has determined that the Merger is advisable and in the best interests of their respective stockholders.

ARTICLE I: THE MERGER

1.1 The Merger

Upon the terms and subject to the conditions of this Agreement, and in accordance with the Delaware General Corporation Law (DGCL), Merger Sub shall be merged with and into the Company (the 'Merger'). The Company shall be the surviving corporation (the 'Surviving Corporation').

1.2 Effective Time

Subject to the provisions of this Agreement, the parties shall cause the Merger to be consummated by filing a Certificate of Merger with the Secretary of State of the State of Delaware. The Merger shall become effective at the time of such filing (the 'Effective Time').

1.3 Merger Consideration

At the Effective Time, each share of Company Common Stock issued and outstanding immediately prior to the Effective Time shall be converted into the right to receive $24.50 in cash (the 'Merger Consideration'), representing a premium of approximately 18% over the Company's 30-day VWAP.

ARTICLE II: REPRESENTATIONS AND WARRANTIES OF THE COMPANY

2.1 Organization and Qualification

The Company is a corporation duly organized, validly existing, and in good standing under the laws of Delaware. The Company has all requisite corporate power and authority to own, lease, and operate its properties.

For the avoidance of doubt, 'Knowledge of the Company' means the actual knowledge (without any duty to investigate) of the Chief Executive Officer and Chief Financial Officer only, as of the date of this Agreement. [RISK: EPA enforcement investigation and three patent infringement notices received by Legal Counsel in Q3 2026 are excluded from this representation because they were addressed to the General Counsel and not the CEO/CFO.]

ARTICLE III: REPRESENTATIONS AND WARRANTIES OF PARENT

3.1 Financing

Parent has received a financing commitment letter (the 'Commitment Letter') from First National Bank for senior secured credit facilities totaling $1.8 billion. The obligation of the lenders to provide the financing is subject to customary conditions, including but not limited to: absence of a MAC at the lender's sole discretion, satisfactory completion of lender due diligence, market conditions acceptable to the arranging bank, and execution of definitive financing documentation. Parent makes no representation that the financing will be consummated on the terms described herein or at all, and the failure to obtain financing shall NOT constitute a breach of this Agreement by Parent.

ARTICLE IV: CONDITIONS TO THE MERGER

4.1 Conditions to Each Party's Obligations

(a) Approval by Company stockholders holding at least a majority of outstanding shares;

4.2 Additional Conditions to Parent's Obligations

The obligation of Parent to effect the Merger is also subject to: the accuracy of the Company's representations and warranties; material compliance by the Company with its covenants; and the absence of any pending or threatened government action that would have a material adverse impact on the solar energy sector, including any change to the Investment Tax Credit (ITC) under Section 48 of the Internal Revenue Code. Parent shall have no obligation to take any action, make any divestiture, or accept any condition imposed by any governmental authority in connection with obtaining regulatory approvals, and Parent may terminate this Agreement if any such condition is imposed regardless of whether Parent has made reasonable efforts to avoid such condition.

ARTICLE V: TERMINATION

5.1 Termination Rights

This Agreement may be terminated at any time prior to the Effective Time:

(a) By mutual written consent of Parent and the Company;

(b) If this Agreement is terminated by the Company pursuant to Clause 5.1(d) due to Parent's financing failure, Parent shall pay to the Company a reverse termination fee of $28,500,000 (the 'Reverse Termination Fee'). The Company shall not, and shall instruct its representatives not to, directly or indirectly: (a) solicit, initiate, or encourage any Acquisition Proposal; (b) participate in any discussions or negotiations regarding any Acquisition Proposal. Notwithstanding the foregoing, the Company may engage with an unsolicited third party that has made a bona fide Acquisition Proposal, PROVIDED THAT such engagement is limited to a period of five (5) Business Days, after which all communications shall be directed exclusively to Parent. Any information provided to such third party shall simultaneously be provided to Parent, allowing Parent to match any Superior Proposal within three (3) Business Days. Parent shall have unlimited matching rights with no cap on the number of match opportunities.
